WELCOME MESSAGE

Dr. Mike Muñoz
Superintendent-President
Long Beach Community College District

Dear Friends,

Welcome to Long Beach's 1st Adaptive Sports Fair hosted at Long Beach City College (LBCC). We are glad to have you in our community, where everyone BeLongS! LBCC and the community we serve are honored to be a part of this groundbreaking event.

The Adaptive Sports Fair is aimed at fostering inclusivity and celebrating the diversity of all people and of all abilities. This seamlessly aligns with LBCC's mission of creating a caring, supportive, and inclusive educational environment.

Sports and recreational activities play a crucial role in molding the younger generation, and creating an inclusive environment where everyone can gather is essential to a well-rounded human experience. We are excited to host this historic event on our campus and hope that you will consider yourselves part of the LBCC Family.

Warmly,

Dr. Mike Muñoz
